

**Testimonials from the 2006 participants:**

“The overall mission was extremely valuable with excellent response from San Diego companies. The whole event was very well organized and gave us excellent opportunities to develop contacts.” **WiTEC Alberta**

GadgetFest 2006

“GadgetFest was a great opportunity. I think we could have benefited more from more time to meet and greet. We were kept busy the entire duration of the exhibit and over all enjoyed the opportunity.” **BlackLine GPS**

Breakfast Briefing 2006

“Informative and insightful. Good contacts.” **EMSCAN**

Alberta Wireless Reception 2006

“I believe it was one of the better networking events I attended..great new people from the investment community.” **Venture Alberta**

“..an excellent event. Once we completed our one minute elevator speeches things really started hopping... we received several positive leads from this event.” **Murandi**
